

AMORC

AROUND THE WORLD

The purpose of the Rosicrucian Order, AMORC is to perpetuate the Rosicrucian teachings and to contribute to the evolution of human consciousness. Grand Lodges and Administrative Centers have been established around the world to serve this purpose and to support Rosicrucian members in their studies in every country where people are free to practice the spiritual tradition of their choice.

Thanks to the vision of Imperators Ralph M. Lewis and Christian Bernard, today there are thirteen Grand Lodges and five Administration Centers around the world. Here are photographs of some of them. For more information about AMORC's worldwide activities, visit www.amorc.org.
